Camp Staff

The Jordan Football Program

The Jordan Falcons have achieved tremendous success under the guidance of Head Coach Mike Briggs, who was recently honored as the Carolina Panthers "Coach of the Week". Jordan, under Coach Briggs, has established itself as one of the premier programs in the state reaching the state playoffs 6 years running and winning the PAC-6 conference championship in 2006. Coach Briggs attributes the program's success to the quality of his staff and the fact that coaching is not just about Xs and Os, but it is about character, integrity, hard work, and team. These values are an integral part of the Jordan Falcon Football program and contribute significantly to our success on and off the field.

The Jordan Football Camp

The Jordan Football Camp was started to introduce our young athletes to the basic fundamentals of the game of football. In an environment of instruction, encouragement, and play, the attendees will be organized into appropriate age groupings to perform non-contact drills, helping each participant learn the basic skills of every team position. Utilizing time-tested drills, techniques, games, and competitions, each participant will have fun learning about the game and themselves.

The camp will be conducted by Jordan High School staff. The staff, with the assistance of current and former players, under direct supervision of senior staff, are ready to make this camp a positive and educational experience for your child.

Mike Briggs—Head Coach

Coach Briggs has been coaching for 19 years and has a long history at Jordan, having been a player for the Falcons before graduating in 1983. He realized his dream of coaching at Jordan and joined the staff as an assistant in 1992. Coach Briggs took over as Head Coach in 2001 and since then he has amassed more victories than any other coach in Jordan history. Coach Briggs was selected as PAC-6 Coach of the Year for his efforts in the 2006 campaign.

Chris Starkey - Director, Senior Camp

Coach Starkey has 12 years of coaching experience and has been at Jordan since 2002. As Head Coach of the Junior Varsity Team, Coach Starkey led the team to a perfect 9-0 record in 2004. Coach Starkey has extensive ties to the community and, passion for the game that make him the perfect choice to direct the camp.

Stuart Albright - Director, Junior Camp

Coach Albright has been coaching at Jordan for 7 years and is currently the offensive co-ordinator for the stellar JV program at JHS. Coach Albright has also excelled in the classroom, earning numerous awards including Durham County Schools "Teacher of the Year" in 2006.
